DEPARTMENT OF INFORMATION TECHNOLOGY

GOVERNMENT OF SIKKIM

**Sectt. Annexe I, Sonam Tshering Marg,
Gangtok-737101, Sikkim**

No. GOS/DIT/2022/01

Dated: 27/01/2022

NOTIFICATION

With a view to achieve a streamlined and unified approach, the State Government has introduced a mechanism for efficient implementation of all e-Governance, Information Technology (IT), Information and Communications Technology (ICT) projects in the State.

The Department of Information Technology, Government of Sikkim has been identified as the Nodal Department of the State Government for verifying and vetting of all e-Governance, Information Technology (IT), Information and Communications Technology (ICT) projects and IT related procurements of the Government of Sikkim.

Departments are now required to submit IT related project/ Proposals/ Procurements files for verifying and vetting of the Department of Information Technology, Government of Sikkim.

All Departments of the state Government are now required to get the clearance of the Department of Information Technology before engaging private IT firms, PSUs and other agencies like National Informatics Centre (NIC), Software Technology Park of India Et al for development/implementation/procurement of IT related projects. Above practices will help the State Government to:

- 1) Avoid duplication of IT related projects
- 2) Help in efficient implementation of IT projects
- 3) control the types of IT projects being taken up in the State.

In order for proper utilization of time, technology and resources, which is necessary for institutionalizing of framework and establishing convergence amongst the departments, it is now mandatory for all Departments to abide by this notification.

This notification is issued with the approval of the State Government and shall come into force with effect from the date of issue of this notification.

**Secretary,
Department of Information Technology**
